Return & Refund Policy

You are always welcome to return or exchange the products purchased from GINA.

You have 30 days to decide if an item is right for you. The items must be returned to GINA address in proper condition and in manufacturer's packaging unless returned as faulty or damaged.

Refund Options

We offer several methods of compensation for a returned item if the product is undamaged and the package is in proper condition:

- Replacement. We will replace the item with another one of better quality, different size, or color.
- Money refund. We will return the cost of the item you spent to purchase.

Although you are free to choose preferred compensation, we reserve the right to change the list of available compensation options depending on the items returned, customer location, banking peculiarities, or other reasons creating difficulties or inconveniences whether for GINA or for customers.

How to Return a Purchased Item

Contact us via hello@gina.uk.com with your order number, the product you are returning, the reason for the return, and if you are waiting for a refund or an exchange. If you do not mention your order number, we won't be able to process your return.

Take your parcel to any Post Office and obtain proof of postage for the tracking number – this will speed up the process and will legitimize that your parcel is on its way back to us.
